### ***Staff 2010***

The only people as excited as you are for camp this summer is our super staff! Our Camp Director, Nikki will still be teaching the advanced lessons this summer. Dawn is back as our Head Counsellor and will also be teaching some classes. Our regular weekend coaching staff, Brittany and Allison, will also be here all summer as camp instructors. Alex will be back as a CIT and we have two new CITs this summer, Bianca and Lauren.

## ***Exciting plans for this summer!***

### **Sports & Games Area**

The field west of the small barn that used to be a paddock is now going to be a sports and games area for this summer! This area is nice a level and will be a terrific location for field sports such as soccer and baseball as well as an ideal location for our team challenges.

### **Picnic Pavilion**

This spring we are going to build a 20' x 30' pavilion on the lawn in front of the big barn. Campers will enjoy the shade during lunch on those hot summer days. It will be great to have another covered area on rain days. This will be the new location for our Parent Show Award presentations!

### **Low Ropes Course**

We are moving the low ropes initiatives from their current location to the area behind the small barn (beside our NEW Sports & Games area). We are also going to be adding two new stations to be revealed this summer!

### **NEW Grass Riding Ring**

We are going to be developing the field across from the big pond to be used as another riding ring and a cross country training area. This will be an ongoing project throughout the year.

## ***NEW Lunch Program!***

This summer we are offering a delicious lunch menu for day campers! Each meal includes veggies or a salad, dessert and a drink. Some of the meals include:

- Tacos
- Pasta & Garlic Bread
- Chicken Burgers
- Sub Sandwiches
- Quesadillas

If you bring your own lunch, Raynham has gone **GREEN** so please make it litterless! Don't forget we're also peanut free.
