

RAYNHAM STABLES DAY CAMP

CAMP CREW!

Program Details

Crew is the perfect program for teens too young to be full staff but too experienced to be a regular camper (must be going into Gr. 9, 10 or 11). Crew assists the youngest campers tacking-up and help lead program options as well as other tasks around the camp such as painting jumps, building projects, grooming horses and a variety of other work projects. It's great work experience, it's actually FUN, and the camp loves you for it!

The best part is as Crew you still get to participate in all the terrific camp program activities including TWO rides daily, arts and crafts, swimming, games, archery, campfire and other special events planned especially for Crew!

The Crew program promotes leadership and the development of communication skills, plus Crew gain valuable experience by organizing campfire, leading activities, games and more. Teens that participate in the Crew program are terrific future staff! Two days mandatory training included with the Crew experience.

FEES: 1st Year Crew: \$500.00

2nd Year Crew: \$450.00*

** Must have participated in the Crew program the previous year*
